Race, Power and Policy: Dismantling Structural Racism

relevant in American politics But, we've had Black elected officials holding key offices for decades: mayors, police chiefs, council presidents, and a few governors This has hardly made a change in the economic conditions we find in low- and moderate- income communities of color Race is deeply embedded in our society, and at the same

Four Models of the Criminal Process

due process conflicts with crime control, but new research suggests that offenders may be more law abiding if treated fairly¹⁹ Contrary to Packer's assumptions, fair treatment may be necessary for effective crime control and punishment may not be necessary to control crime New models of criminal justice will have to have some founda-

Critical Theories: Marxist, Conflict, and Feminist

Although all sociological theories of crime contain elements of social conflict, consensus theories tend to judge alternative normative systems from the point of view of mainstream values, and they do not call for major restructuring of society Theories presented in this chapter do just that, and concentrate on power ...

Chapter 29 Social Inequality, Crime, and Deviance

Social Inequality, Crime, and Deviance Ross L Matsueda and Maria S Grigoryeva* Abstract This chapter examines the role of social inequality in crime and deviance by specifying a social psychological theory of the causal mechanisms by which inequality is associated with crime

The Relationship Between Law and Politics

It cannot be but 'power politics' nor can it be only a specialized language to describe behavior It lacks the character of law if it is not in some degree 'binding', that is, it must be a means of independent control that affectively limits the acts of the entities subject to it To that degree, law must be independent of politics

The Politics of Fear

The Politics of Fear more power to affect reason than reason does to affect emotions—particularly the emotion of fear A scientist at Stony Brook University, Charles Taber, went so far as to

crime, but to achieve the objectives set forth by Sir Robert Peel of getting the same “The police are the public and the public are the police”, however this we now need to combine both the physical and digital worlds 3 SOCIAL-ENABLED POLICING: LEVERAGE THE POWER OF ...

Prosecutor Priorities, Challenges, and Solutions

Although crime levels are at their lowest in more than 25 years, prosecutors face significant challenges from, for example, persistent violent crime in urban areas, difficulties in obtaining the technical capabilities necessary to identify and prevent cybercrime, and

The threat of Russian Organized Crime

The general level of crime in a country is an apparent primary condition for organized crime. High-crime countries are more likely than low-crime countries to have organized crime. This is because organized crime and common crime are influenced by many of the same factors. Crime is related to the degree of urbanization and
